*This list is meant as a summary of elective procedures available through the KISx program at the current time. Procedure availability can vary throughout the country, if we do not have a facility that is within a reasonable distance. Certain procedures may not be available until we are able to get facilities on board. New procedures may be added at any time without notice. Pediatric Surgeries are NOT covered through this program. We also do not accommodate any urgent surgical procedures or those that need to be done in an acute hospital setting.*
